Kai Hoffmann, Managing Director of Soar Financial Partners, remarked, "Following two virtual, and five in-person events, Deutsche Goldmesse has established itself as Germany's premier investment conference in the resource space. Being from Germany myself and working solely in the junior mining space for the last 15 years, I understand what German and European investors are looking for. This is why I have focused on bringing together a selective group of impressive and diverse companies, keynote speakers, influencers, HNW investors, asset & fund managers, media partners and more. I am excited to offer this boutique event once again, exclusive to the junior mining sector."

The Deutsche Goldmesse website is updated regularly with attending companies, keynote speakers, schedule, and other important details. www.deutschegoldmesse.com
